Please see eco-sphere.com/replacement for full terms and conditions. Please fill out this form in blue or black ink and include it with your EcoSphere. Place the EcoSphere in a suitable box. If you do not have the original packaging and box, use at least 3 to 4 inches of bubble wrap to protect the EcoSphere. Do not include any bases or extra packaging. FedEx Ground, UPS Ground or the Postal Service are all fine carriers. We cannot replace, recharge or upgrade any EcoSphere that arrives cracked, broken, or has had the serial number removed.
